Technical Description

Commercial duty triple extension ladders that can be split for use as single sections. The comfortable 'D' shaped twist-proof rungs are secured into rigid box section stiles for comfortable safe use.

- » Commercial strength box-section construction
- » Twist proof rung joint
- » Reduce fatigue with deep, comfortable 'D' rungs
- » Slip resistant high traction rungs
- » Sections separate for use as single ladders

Standards & Classification

- » Duty Rating: 115kg
- » Maximum Static Vertical Load 150kg
- » Certified to BS EN 131 & Kite Marked

Warranty

- » 3 Years
